3.22. The Organiser shall proclaim the Competitive Bidding void, if within the prescribed term there are no applicants to the Competitive Bidding or none of the applicants is registered as a participant, or if the Winning Bidder or the Second Winning Bidder are excluded from the list of registered Competitive Bidding participants.

4. Competitive Bidding Procedure

- 4.1.** The bid shall be made in writing and expressed clearly and unambiguously. The application shall contain the following information: applicant's data and banking details; description of the Item taking into account the information provided in the Competitive Bidding announcement; the bid price expressed in EUR (euro) written out both in figures and in words⁴.
- 4.2.** If several applicants make equal bids for the Item, the applicant that was registered as participant the first, shall be considered and recognised as the one that made the bid.
- 4.3.** When registering the applicant as the Competitive Bidding participant, the Organiser shall also compare the bids made for the Item and, by sending a respective e-mail to the address provided in the application, shall inform the highest bidder that he/she has won the Competitive Bidding. Within the same term, the Second Winning Bidder shall be informed that he/she is the second winner of the Competitive Bidding, while all other participants shall be informed that they have been outbid.
- 4.4.** The applicant is authorised to take a loan in a credit institution and/or a leasing company registered in Latvia, the European Union, or the European Economic Area in order to pay the bid price made for the Item, which should be made known to the Organiser upon application. This being the case, the remaining amount of the bid that is still to be paid (i.e. the difference between the bid and the paid Security Deposit), shall be paid within 1 (one) month from the day, when the applicant receives the Bank's e-mail regarding registration as the Competitive Bidding participant and declaration as the Winning Bidder, or from the day, when the Second Winning Bidder agrees to purchase the Item (see Clause 4.9.). The Organiser is authorised to extend the aforementioned deadline, if in the Organiser's opinion there are objective grounds to do so, as well as in the cases that are subject to provisions set forth in Clause 4.5..
- 4.5.** If in the opinion of the Organiser, the Winning Bidder has managed to prove that the funds the Winning Bidder plans to pay for the bid are of legitimate origin and, if the due diligence of the Winning Bidder has not raised any concerns, and no other obstacles have been established as to the conclusion of the Purchase Agreement with this particular Winning Bidder, then the Organiser shall send to the Winning Bidder (to the e-mail provided in the Application) an invitation to sign the Purchase Agreement within the term determined by the Organiser, which shall not be less than 5 (five) business days, and to pay the remaining amount of the bid (i.e. the difference between the bid and the paid Security Deposit). Prior to signing the Purchase Agreement and paying the bid price, the Winning Bidder is obliged to submit to the Organiser an account statement, which clearly demonstrates that the bid price will be paid from the inspected funds.
- 4.6.** Whereas, if in the opinion of the Organiser the Winning Bidder has failed to prove that the funds the Winning Bidder plans to pay for the bid are of legitimate origin, or if the due diligence of the Winning Bidder has raised concerns, or any other obstacles to the conclusion of the Purchase Agreement have been established, the Organiser shall refuse to sign the Purchase Agreement with the Winning Bidder and shall return the paid Security Deposit, unless there are any obstacles to such return justified by the applicable laws and regulations or the present Regulations. This being the case, the Organiser shall be entitled to pass the offer on to the Second Winning Bidder at the highest bid made thereby, or the Competitive Bidding shall be proclaimed void, and the Organiser shall be entitled to handle the Item as it deems fit.
- 4.7.** If the Winning Bidder does not sign the Purchase Agreement within the term indicated in Clause 4.5. and does not pay the remaining amount of the bid (i.e. the difference between the bid plus the VAT and the paid Security Deposit), and does not provide the aforementioned account statement, the Organiser shall be entitled to pass the offer on to the Second Winning Bidder at the highest bid made thereby; whereas, as to the Winning Bidder, it shall be considered that the Winning Bidder has withdrawn from the purchase, and the paid Security Deposit shall not be returned.
- 4.8.** Should any of the circumstances provided in Clause 4.6. or 4.7. occur, the Second Winning Bidder shall, no later than within 5 (five) business days from the day of receiving the invitation from the Organiser, inform the Organiser that the Second Winning Bidder agrees to purchase the Item at the submitted bid price. If the Second Winning Bidder has not provided his/her agreement within the specified term, it shall be considered that the Second Winning Bidder has withdrawn from the purchase and the Competitive Bidding shall be proclaimed void. This being the case, the Security Deposit paid by the Second Winning Bidder shall be returned by wire transfer to the account specified in the Application within 5 (five) business days from the day, when the Competitive Bidding is proclaimed void subject to the conditions set forth herein, unless there are any obstacles to such return justified by the applicable laws and regulations or the present Regulations. If the Second Winning Bidder has informed the Organiser that he/she agrees to purchase the Item, the Second Winning Bidder shall be subject to the same provisions as the Winning Bidder (including 4.5., 4.6., 4.7., 5.1., 5.2., and 5.3.), except the provisions on offering the Item to the Second Winning Bidder. If

⁴If the bid price written out in figures differs from the bid price written out in words, the bid price written out in words shall prevail

the consequences mentioned in the Regulations of Competitive Bidding Second Winning Bidder as well, the Competitive Bidding shall be proclaimed void, and the Organiser shall be entitled to handle the Item as it deems fit.

- 4.9.** Accordingly, the Security Deposit paid by the Second Winning Bidder shall be returned within 5 (five) business days from the day, when the Winning Bidder and Winergy and/or NBT Energy sign the Purchase Agreement in accordance with the present Regulations, and the Winning Bidder pays the remaining amounts (i.e. the difference between the bid plus the VAT and the paid Security Deposit), unless there are any obstacles to such return justified by the applicable laws and regulations.

5. Concluding Provisions

- 5.1.** The Winning Bidder is obliged to cooperate with the credit institution that maintains the accounts of Winergy and/or NBT Energy, and to provide such institution with all and any information and documents requested thereby, if the institution conducts a due diligence of the origin of incoming funds.
- 5.2.** If the credit institution that maintains the accounts of Winergy and/or NBT Energy that will be used to pay the bid price, blocks the funds credited by the Winning Bidder in the context of the AML/CTPF Law or the Sanctions Law, then Winergy and/or NBT Energy are entitled to unilaterally withdraw from the Competitive Bidding and the Purchase Agreement, by notifying the Winning Bidder on the matter, and to proclaim the Competitive Bidding void, and to handle the Item as they deem fit. This being the case, the Organiser (the Bank, Winergy, NBT Energy) shall assume no liability towards the Winning Bidder and has no obligation to indemnify the Winning Bidder against any losses, including the Security Deposit, and the Winning Bidder shall not be entitled to seek such indemnification from the Organiser.
- 5.3.** The bid excludes any other taxes, charges and any similar payments applicable and/or relating to purchase, transportation, disposal, and reregistration of the Item, if such are applicable. The Winning Bidder shall be exclusively responsible for requesting and obtaining all documents that are necessary to register the Winning Bidder's rights to the Item, as well as for bearing any related costs and dealing with other formalities.
