Agreement between the parties and Client's confirmation

(I) The Parties agree that all electronic documents (including agreements) signed by the Client in the Bank's system PNB Internetbanka using the respective Client's identification means are equally valid and binding as the documents signed by the Client by its own hand, and obligations established by such documents, undertaken obligations, the rights and authorizations granted to the Bank, as well as certifications granted by the Client are fully binding on the Client in compliance with the provisions included in the documents in question.
 The Client undertakes to ensure safety and secrecy of his identification data (identification codes, access codes, passwords, etc.) and keep the identification means (identification table, DigiPass device and any passwords) in secret in a place not available to third parties; should there be a reason to believe that the Client's identification data and/or identification means have become known or available to third parties and/or lost or stolen, the Client must immediately inform the Bank according to the procedure established by the Bank's General Provisions for Transactions.
 The Bank is not responsible for the losses incurred by the Client if a third party used Client's identification data (means) and the Client had not warned the Bank of the fact that the identification data (means) in question could become known to third parties and/or were lost or stolen.
 (II) By signing this application, the Client confirms the following:
 - the Client is informed and aware that by using Client's identification data and/or identification means any third party can access Client's account and perform operations with it, including obtaining information on the state of the account, performing operations with the funds available at the account, including the credit funds, to sign electronic documents thus establishing any type of obligations on behalf and for the Client;
 - the Client has acquainted with the Bank's General Provisions for Transactions and the Bank's tariffs, agrees with them and acknowledges them as binding on himself (the represented person);
 - all information provided in this application is true;
 - the Client agrees with processing of personal data and using means of communication according to Bank's General Provisions for Transactions.
